

30-second *RadiologyInfo.org* Public Service Message

For use through August 2024

(Version #2, 30 seconds)

ANNOUNCER:

C-T, M-R-I and other radiology exams provide your doctor with important health information. While these exams are routine, they can also cause concern. Ease your scanxiety by visiting Radiology-Info-dot-org. You'll find over 260 descriptions of radiology procedures, exams and treatments. Know what to expect and how to prepare by visiting Radiology-Info-dot-org today! Produced by the Radiological Society of North America and the American College of Radiology.
